

## Department of Mathematics PhD Minor Course Approval Form

In order to receive a Mathematics Minor, you are required to take four **approved** graduate level courses in mathematics (12 units total). You should consult with the PhD minor advisor in the Mathematics Department before you begin this coursework. The instructor(s) of the courses must sign below to indicate that your performance in that course merits a PhD minor.

Name: \_\_\_\_\_

Student Identification Number: \_\_\_\_\_  
(necessary in order for us to print your transcript)

Date: \_\_\_\_\_ Department: \_\_\_\_\_

Address: \_\_\_\_\_

E-mail: \_\_\_\_\_ Phone: \_\_\_\_\_

**Please list the math courses you have taken:**

Course # & Title	
Semester taken	
Instructor	

*Instructor's signature* \_\_\_\_\_
