

RESEARCH SYMPOSIUM

Greetings,

Below is the information needed for your travel to the CEMELA Research Symposium at UCSC on January 18th -20th 2008. We look forward to welcoming you!

Ground Transportation

Ground transportation options from San Jose Airport includes:

- Super Shuttle 1-800-BLUE-VAN (258-3826) and <http://www.supershuttle.com>
(Arrangements have been made for fellows and other UA folks)
- Airporter Shuttle 1-800-497-4997 or 831-475-0234.
(Reservations have been made for several UIC and UNM folks)

Note: Getting to University Inn & Conference Center Santa Cruz from San Jose airport takes approximately ONE HOUR and involves driving on a very winding mountain road for about a half hour.

Hotel Accommodations

We welcome our guests to the University Inn & Conference Center Santa Cruz.

Reservations have been made for you with check-in on January 17 or 18th and check out on January 20th. Room and tax charges for the University Inn & Conference Center Santa Cruz will be directly billed to UA for Fellows and Advisory Board folks. Other participants will need to provide a credit card to cover their rooms upon their arrival.

Meeting Location and Transportation

The workshop will take place at the University Inn & Conference Center Santa Cruz. Click here for directions to the University Inn & Conference Center Santa Cruz <http://www.ucscinn.com/map.php>

Travel Reimbursements

For those whose expenses are being covered by UCSC/CEMELA, please save all of your travel receipts. We will provide you with a travel reimbursement form. CEMELA Central is covering fellows and Advisory Board members' expenses please save all your travel receipts. CEMELA Central will provide you with a travel packet.

What to wear

Due to proximity to the Pacific Ocean, weather in San Cruz can range from sunny to foggy, windy, rainy and cold all in the same week. You will want to bring n umbrella, a jacket, a sweater or two as well as clothes for semi-warmer weather. Santa Cruzan's dress in layers so that they can changes on demand. Current weather conditions in Santa Cruz can be found at http://www.weather.com/outlook/recreation/ski/tenday/95064?from=36hr_topnav_ski
