

# Check List for the First Day

This should be done before the second day of class.

1. Navigate through D2L.
  - a) Read any announcements. (Check this every day)
  - b) Click on "Content" on the navigation bar.
    - i. Getting Started
      - a. Course Policy (which you should read)
      - b. Textbook
      - c. Webassign codes and instruction
    - ii. Course Materials
    - iii. Academic Resources
    - iv. Section Wood
      - a. Section Homework Policy
      - b. Homework Assignments (You might want to print this.)
      - c. Our Section Calendar
      - d. Guidelines and Expectation (READ)
      - e. Explore the other sub-folders
2. Get signed up for webassign (Information in D2L)
  - a. HW 0
  - b. Prep 1.1 and 1.2 (If after 2 tries and still wrong, stop; get help.)
  - c. Start HW 1.1 (Not due until third day of class.)
3. Finish "Create a Function" worksheet Due second day of class.

In addition to the work above, Work required the first week of class.

We cover section 1.1 – 1.2. Most sections will require many assignments to be due.

1. Webassign (HW 1.1 -1.2 and Prep 1.1 -1.4)
2. Written homework 1.1 -1.2
3. Worksheets 1-2.

**All assignments are due the day after the section is completed in class.  
Start Homework early**

**One needs to get the assignment completed the day before it is actually due.**

***Here are the WRITTEN Assignments for the first few days. The full List is in D2L.***

TB: Textbook

WS: Worksheet

SEC	Problems from the textbook for that section & WS	Due Date
0	Register for Webassign & start Assignments Create a Function Worksheet	8/20 8/21
1.1	TB: 1,3,27, 28, 44 WS 1	8/22 8/23
