Read 2.6-2.7, 3.1-3.4 then do each of the following problems. Problems in parenthesis are not assigned, but offer great applications of the material we are covering.

1.) Section 2.6 # 1
2.) Section 2.7 # 1,4
3.) Section 3.1 #2,3,4
4.) Section 3.2 # 3,4,6 (5)
5.) (Section 3.3) This is in parenthesis because its a pretty cool application.
6.) Section 3.4 # 1,2
