Attendance: Students are expected to attend every scheduled class; it is the student’s responsibility to keep informed of any announcements, syllabus adjustments or policy changes made during scheduled classes. Students who will have missed three or more classes without an officially documented explanation will be dropped from the class. The same goes for homeworks.

Students are expected to behave in accordance with the Student Code of Conduct and the Code of Academic Integrity; those can be found at http://deanofstudents.arizona.edu/policiesandcodes.

Homework/Quizzes: Homework will be assigned regularly. No late homework will be accepted. Homeworks will be posted on the D2L (Desire-to-Learn); the D2L will also keep track of your current grade.

In-Class Exams: The three in-class exams are tentatively scheduled for Monday, February 8, Friday, March 5, and Wednesday, April 14. Each exam will be worth 100 points.

Final Exam: The final exam is on Friday May 14, 11:00 a.m. - 1:00 p.m. It’s worth 200 points.

Grading:
The total number of points received for the homeworks will be scaled to yield maximum 300 points. The total maximum number of points available for all tests and homeworks is 800. The final grade will be calculated using the following table:

Students with disabilities:
If you anticipate issues related to the format or requirements of this course, please meet with your instructor to discuss ways to ensure your full participation in the course. If you determine that formal, disability-related accommodations are necessary, it is very important that you be registered with Disability Resources (621-3268; http://drc.arizona.edu). You should notify your instructor of your eligibility for reasonable accommodations by Friday, January 22. You and your instructor can then plan how best to coordinate your accommodations.

Students withdrawing from the course:
If you withdraw from the course by February 9, the course will be deleted from your enrollment record. If you withdraw from the course by March 9, you will receive a grade of W. The University allows withdrawals after March 9, but only with the Dean’s signature. Late withdrawals will be dealt with on a case by case basis, and requests for late withdraw with a W without a valid reason may or may not be honored.

Incompletes:
The grade of I will be awarded if all of the following conditions are met:
1. The student has completed all but a small portion of the required work.
2. The student has scored at least 50% on the work completed.
3. The student has a valid reason for not completing the course on time.
4. The student agrees to make up the material in a short period of time.
5. The student asks for the incomplete before grades are due, (right after the final).
