

## **Changing attitudes about math....one teacher, one parent, one child at a time**

### **COST SHEET FOR PRODUCTS AND SERVICES**

#### **A MAPPS Program**

- engages parents of K-12 children in the mathematics of the schools
- empowers parents with new mathematical knowledge and with new self confidence about learning mathematics
- creates families that learn mathematics together
- improves children's competencies in mathematics
- gets the broader community embracing mathematics as something everybody can do and enjoy.

#### **A MAPPS Program revolves around three activities for parents:**

- Workshops (2 hour, stand-alone sessions on a topic in school mathematics)
- Mini-Courses (each involves a parental commitment of eight 2-hour sessions; each is based on a major theme of school mathematics)
- Leadership Development (parents become facilitators of the workshops).

Materials supporting these activities can be ordered through The MAPPS Center. The MAPPS Center also provides orientation and training workshops and ongoing consultation to help schools and districts (and other community-based organizations) adopt MAPPS Programs. Costs for materials and fees for services are listed on the next four pages.

## I. Materials Available in English

Prices include standard shipping.\* Items will be shipped FedEx Ground (while up to two weeks for delivery). For faster shipping, or shipping overseas, extra charges will apply.

**Printed Materials:** Each item is printed in black and white and assembled in a 3-ring binder, or is spiral bound.

Item #	Description	Item	Price Each
411	<u>Math for Parent Workshops</u> Each collection contains facilitator notes and parent handouts for 8 workshops	K-4 Workshops	\$60.00
412		5-8 Workshops	\$60.00
413	<u>Math for Parent Mini-Courses</u> Each book contains facilitator notes and parent handouts for each of the five mini-courses	Thinking about Fractions, Decimals, and Percents	\$55.00
414		Thinking about Numbers	\$55.00
415		Thinking in Patterns	\$55.00
416		Geometry for Parents	\$55.00
417		Data for Parents	\$55.00
418	Complete set of items #411-417 (savings to purchase complete set)		\$360.00

## II. Materials Available in Spanish

Prices include standard shipping. \*Items will be shipped FedEx. For faster shipping or shipping overseas, extra charges will apply.

**Printed Materials:** Each item is printed in black and white and assembled in a 3-ring binder, or is spiral bound.

Item #	Description	Item	Price Each
511	<u>Math for Parent Workshops</u> Each collection contains facilitator notes and parent handouts for 8 workshops	K-4 Workshops	\$70.00
512		5-8 Workshops	\$70.00
513	<u>Math for Parent Mini-Courses</u> Each book contains facilitator notes and parent handouts for each of the	Thinking about Fractions, Decimals, and Percents	\$60.00
514		Thinking about	\$60.00

	five mini-courses	Numbers	
515		Thinking in Patterns	\$60.00
516		Geometry for Parents	\$70.00
517		Data for Parents	\$55.00
518	Complete set of items #511-517 (savings to purchase complete set)		\$425.00
519	Complete set of all English and Spanish materials: includes items #411, 412, and 511-517.		\$525.00

### III. Supplementary Materials\*

Item #	Description	Item	Price Each
811	Guidebook for MAPPS Program (spiral bound)	The guidebook contains a detailed description of a MAPPS Program with specifics for: <ul style="list-style-type: none"> <li>Starting and nourishing a MAPPS Program</li> <li>Leadership Development</li> <li>Program Evaluation (including ready-to-use surveys)</li> </ul>	\$33.00
812	A complete collection of videos on one DVD showing MAPPS in action	<ol style="list-style-type: none"> <li>Making a Difference with MAPPS (overview of a MAPPS Program)</li> <li>An Evening at a Math for Parent Workshop</li> <li>An Evening at a Math for Parents Mini-Course</li> <li>Leadership Development</li> <li>Four Things to Make a MAPPS Program Successful</li> <li>Parent Impact (in Spanish with English subtitles)</li> </ol>	\$60.00
813	Online access to electronic materials of the Math for Parent Workshops in both English and Spanish for participants from trained trainers outside of the MAPPS Center and have purchased a hard copy per participant.	K-4 Math for Parent Workshops Online Access per participant	\$25.00
		5-8 Math for Parent Workshops Online Access per participant	\$25.00

814	Online access to electronic materials of the Math for Parent Mini-Courses in both English and Spanish for participants from trained trainers outside of the MAPPS Center and have purchased a hard copy per participant.	Math for Parent Mini-Courses Online Access per participant	\$125.00

#### IV. Training Sessions for Setting Up and Running a MAPPS Program

Materials for the training sessions are in English. Each contracting site for training will be responsible for conference logistics including recruiting, equipment and set up, providing appropriate meals, and providing a location. Those attending the training through the MAPPS Center will be given online access to both the English and Spanish MAPPS Curriculum electronically.

Item #	Description	Item	Price Each
911	<b>One Day Mini-Conferences</b> 0-35 participants: one staff 36-60 participants: two staff	<b>Orientation to MAPPS</b> includes sessions on workshops and program set-up. Each participant will receive one set of K-4 and 5-8 Math for Parent Workshop notebooks and a MAPPS guidebook.	\$1200 consultant fee + \$1000 for second staff + travel + \$225 per participant for materials.
912		<b>Training to facilitate Parent Workshops</b> includes sessions on 2-3 workshops. Each participant will receive one set of K-4 and 5-8 Workshop notebooks, online access to electronic versions in both English and Spanish, and a MAPPS guidebook.	\$1200 consultant fee + \$1000 for second staff + travel + \$50 per participant or \$225 per participant for those who did not receive a set of workshop notebooks (included in the fee per participant is online access to the electronic versions in both English and Spanish of the K-4 and 5-8 Workshops) .

913		<p><b>Training to facilitate Math for Parent Mini-Courses</b> includes sessions on selected mini-courses and internet access to the electronic versions in both English and Spanish.</p>	<p>\$1200 consultant fee + \$1000 for second staff + travel + \$215 per Participant (included in the fee per participant is online access to the electronic versions in both English and Spanish of the Mini-Courses).</p>
914		<p><b>Leadership Development</b> includes training with parents and teachers in facilitating Math for Parent workshops. Internet access to electronic versions of the Math for Parent Workshops in included.</p>	<p>\$1200 consultant fee + \$1000 for second staff + travel + \$50 per participant for materials or \$225 per participant if participant does not have a set of workshops and guidebook.</p>
915	<p><b>Two Day Conference</b> 0-60 participants: two staff 60-100 participants: third staff</p>	<p>This conference will include sessions on the Math for Parent Workshops, Math for Parent Mini-Courses, and Leadership Development. Participants will receive a set of those workshops and mini-courses presented at the conference. Internet access to electronic versions of the Math for Parent Workshops in included.</p>	<p>\$2400 consultant fee + \$2000 for each additional staff + travel expense + \$350 per participant for materials.</p>
916	<p><b>Special 1 Year Package</b> 0-35 participants: one staff 36-60 participants: two staff</p>	<p>This package includes one day</p>	<p>\$2400 consultant fee + \$2000 for second staff + travel expense +</p>

		orientation training in the fall/spring with a follow up one day training session in the spring/fall plus consultation for one year.	\$225 per participant for materials + \$850 1 year consultation fee
917	<b>Consultation for 1 Year</b>	Includes correspondence with MAPPS team members via phone or e-mail for up to 30 hours	\$1200
918	<b>Custom Order</b>	Will provide services per your request	\$1200 per day per staff + travel expenses+ materials

\*All materials returned from the purchaser, with no error on part of The MAPPS Center, will be responsible to pay for returned shipping.

Contact Christina Grossman at [cgrossman@math.arizona.edu](mailto:cgrossman@math.arizona.edu) or phone 520-621-6887 for special orders or questions.

*All rates are subject to change and are negotiable. Purchase Orders, checks, and credit cards are accepted for payment. Payment made through a Purchase Order should be directed to:*
