Webpage Assignment due Thursday Nov. 14

Go to http://sites.google.com ... Create... New... Name your site

The following components are the minimum that should be included.

I. **Homepage**

1. Contact Information- Provide users with appropriate ways to contact you along with info about when and how you will be returning their communications.
2. Welcome message- Keep it short and positive to let users know they are on the right page
3. Photograph- *optional* but recommended
4. Links to each of the other pages

II. **Academic Content Page**

1. Syllabus- provide information about the key unit topics covered (You may use the one from the class from your practicum, or one you like from online).
2. Assignment calendar (just 1 week required)... could be a Google calendar or other)
3. Grading policies- write what you think you’d like to use as a grading policy, or get the policy from your practicum classroom
4. Link to at least one “class activity handout”

III. **About Me Page**

1. Include information about your degree(s)
2. Hobbies- *optional* but recommended (age appropriate info)
3. Family info- *optional* but recommended

IV. **Learning Resources**

1. Include a link to the Khan Academy, GeoGebra, Desmos, and at least 2 more other free favorites with short descriptions of pages.
2. Link to a short math video with a caption or short description.
3. Upload a photo with a caption to any page.

**Grading:**

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Points</th>
</tr>
</thead>
