Math 113, Fall 2003 (Prof. Bayly)

Practice Problems (not to be turned in)

Make sure you can do the short problems in the early parts of the problem sets, especially the odd-numbered ones whose answers are in the back of the book.

Problems to be turned in on Friday 5 September

Section 1.2: 64, 74
Section 1.3: 38, 64, 84, 89, 92
Section 1.4: 24, 26, 28, 70, 72
