MATH 129, Calculus II
Departmental and University Policies
Spring 2016

The information in this document applies to all sections of MATH 129. Your instructor will provide a syllabus detailing policies specific to your section.

Instructor Contact Information
Please see your instructor’s syllabus

General Information
Prerequisites: Appropriate Math Placement Level or completion of Math 124, 122B, or 125 with a grade of C or better.

Course Objectives: Math 129 covers the fundamentals of the integral calculus. Upon completion of the course, the student will: be able to use techniques of analytical and numerical integration; be able to apply the definite integral to problems arising in geometry and physics; be able to work with the concept of infinite series and be able to calculate and use Taylor series; be able to analyze differential equations from a numerical, graphical, and algebraic point of view and model physical and biological situations by differential equations.

Required Textbook and Materials:
- The online computer homework system is WebAssign. A new textbook purchased in the UA Bookstore includes access to WebAssign and the e-book. WebAssign and the e-book may also be purchased directly at [http://webassign.net](http://webassign.net). Please see your instructor’s syllabus for the WebAssign Class key for your section.
- A graphing calculator is required for this course. We recommend the TI-83 or TI-84 models. Calculators that perform symbolic manipulations, such as the TI-89, NSpire CAS, or HP50g, cannot be used on exams.

Math 129 web page: General information about Math 129 and additional resources can be found at [http://math.arizona.edu/~calc/m129.html](http://math.arizona.edu/~calc/m129.html).

Communication with Students
Please see your instructor’s syllabus

University statement on Accessibility and Accommodations
It is the University’s goal that learning experiences be as accessible as possible. If you anticipate or experience physical or academic barriers based on disability or pregnancy, let your instructor know immediately so that you can discuss options. You are also welcome to contact Disability Resources (520-621-3268) to establish reasonable accommodations.
Please be aware that the accessible table and chairs in your classroom should remain available for students who find that standard classroom seating is not usable.

**Attendance/Administrative Drops**
The University policy may be found at [http://catalog.arizona.edu/2015-16/policies/classatten.htm](http://catalog.arizona.edu/2015-16/policies/classatten.htm).
Please note the following: All holidays or special events observed by organized religions will be honored for those students who show affiliation with that particular religion. Absences pre-approved by the UA Dean of Students (or Dean’s designee) will be honored. It is the student’s responsibility to notify the instructor in advance of an absence related to religious observation or an activity for which a Dean’s excuse has been granted, and to arrange for how any missed work will be handled.
Please see your instructor’s syllabus for section-specific information.

**University statement on Academic Integrity**
Students are responsible to inform themselves of University policies regarding the Code of Academic Integrity. Students found to be in violation of the Code are subject to penalties ranging from a loss of credit for work involved to a grade of E in the course, and risk possible suspension or probation. The Code of Academic Integrity will be enforced in all areas of the course, including, but not limited to, homework, quizzes, and tests. For more information about the Code of Academic Integrity policies and procedures, including information about your rights and responsibilities as a student, see the following website:
[http://deanofstudents.arizona.edu/academic-integrity/students/academic-integrity](http://deanofstudents.arizona.edu/academic-integrity/students/academic-integrity)

**University statement on the Student Code of Conduct**
Students at The University of Arizona are expected to conform to the standards of conduct established in the Student Code of Conduct. Prohibited conduct includes:

1. All forms of student academic dishonesty, including cheating, fabrication, facilitating academic dishonesty, and plagiarism.
2. Interfering with University or University-sponsored activities, including but not limited to classroom related activities, studying, teaching, research, intellectual or creative endeavor, administration, service or the provision of communication, computing or emergency services.
3. Endangering, threatening, or causing physical harm to any member of the University community or to oneself or causing reasonable apprehension of such harm.
4. Engaging in harassment or unlawful discriminatory activities on the basis of age, ethnicity, gender, handicapping condition, national origin, race, religion, sexual orientation, or veteran status, or violating University rules governing harassment or discrimination.

Students found to be in violation of the Student Code of Conduct are subject to disciplinary action. For more information about the Student Code of Conduct, including a complete list of prohibited conduct, see the following website:
[http://deanofstudents.arizona.edu/accountability/students/student-accountability](http://deanofstudents.arizona.edu/accountability/students/student-accountability)
Other Relevant University Policies Relating to Conduct
Please take note of the following University policies:
· Policy on Threatening Behavior by Students: http://policy.web.arizona.edu/education-and-student-affairs/threatening-behavior-students
· Nondiscrimination and Anti-Harassment Policy: http://policy.arizona.edu/human-resources/nondiscrimination-and-anti-harassment-policy

Expected Classroom Behavior
Please see your instructor’s syllabus

Homework/Quizzes
Please see your instructor’s syllabus.

Midterm Exams and Missed Exam policy
Exams may not be administered during the week of May 2.
Please see your instructor’s syllabus.

Calculation of Course Grades
Please see your instructor’s syllabus.

Final Exam
Math 129 has a common final exam. It will take place on Monday, May 9 from 8:00am to 10:00am. Locations will be announced later in the semester. Information and the department study guide will be available at http://math.arizona.edu/~calc/m129.html. The weight of the final exam in the calculation of your course grade will be found in your instructor’s syllabus.

Please note the following:
· University rules relating to final examinations may be found at: http://www.registrar.arizona.edu/schedule101/exams/examrules.htm
· The University final exam schedule may be found at: http://www.registrar.arizona.edu/schedules/finals.htm

Incomplete
A grade of “I” (Incomplete) will be given only at the instructor’s discretion, according to University Policy as described at http://www.registrar.arizona.edu/gradepolicy/incomplete.htm.

Withdrawal and Grade Replacement Option
A student may withdraw from the course with a deletion from record through January 27 using UAccess. A student may withdraw with a grade of "W" through March 29 using UAccess. The last day to submit a petition to your college dean for late withdrawal is April 19.
Tentative Weekly Schedule
Suggested calendars for MWF and TTh classes are found on the Math 129 web page at http://math.arizona.edu/~calc/m129.html

Changes to the Course Syllabus
The information contained in the instructor’s course syllabus, other than the grade and absence policies, as deemed appropriate by the instructor, are subject to change with reasonable advance notice. In particular, the dates of midterm exams, the number of exams, and the order in which topics are covered may differ from the dates and arrangement in the tentative weekly schedule.
