

Information for the Math 112 Exam 1 – Spring 2025

Exam 1 is scheduled for Thursday, February 20, from 7:30 PM – 8:30 PM.

A list of exam rooms by section is posted on the [Math 112 homepage](#).

You need to arrive at the exam no later than 7:15 PM to provide time to check student ID cards and distribute exam materials.

Exam Structure and Length

- The exam is worth 100 points (out of 600 total points in the course).
- The exam covers the five sections in Unit 1: Functions, Graphs of Functions, Linear Functions, Piecewise Linear Functions, and Transformations.
- There will be 20 multiple choice questions worth 5 points each.
- The exam is closed note and closed book.
- You will have 60 minutes to complete the exam.
- You will be bubbling in answers on an answer sheet AND circling answers in your exam booklet.
- You will NOT need any additional scratch paper for this exam. There will be adequate space on the exam to do any scratch work you need.
- Students arriving late to the exam will NOT be given extra time.

Study Guide

- There are Practice Exams (with answers) posted on the [Math 112 homepage](#).
- Do not rely on tutors, instructors, or friends to do the problems for you, since they will not be able to assist you on the exam.

Calculators

- You are required to bring your own working graphing calculator to the exam as stated in the general and section policies posted on the [Math 112 homepage](#). Cell phones CANNOT be used in lieu of a calculator. Desmos is NOT allowed in lieu of a calculator.
- Students are forbidden from sharing a calculator during the exam.
- Your calculator is to be cleared of all programs except possibly for the QUADRATIC FORMULA program.
- Students whose calculators contain programs other than the ones stated or contain “crib notes” are in violation of the Student Code of Academic Integrity and are subject to disciplinary action by the university.
- Random checks of calculators may be performed before, during, or after the Exam.

Allowable Items

- The only items you are allowed to have on your desk during the exam are:
 - Exam booklet
 - Exam Answer sheet
 - #2 pencil and eraser
 - Calculator (taken out of its case)
- Any and all electronic devices other than your calculator (cellphones, AirPods, Apple Watches, earbuds, FitBits, etc.) MUST BE TURNED OFF & PUT AWAY DURING THE ENTIRE EXAM. If an electronic device goes off during the exam, it is considered a violation of the student code of academic integrity and therefore subject to disciplinary action by the university.

Photo ID

- ALL students are required to bring their CATCARDS to the exam. Students who do not bring their CATCARDS to the exam may NOT be allowed to take the exam.
